MISTAKES TO SUCCESSES: LEARNING FROM ERRORS

Eawag, HELVETAS Swiss Intercooperation, iDE,
International Centre for Water Management Services (cewas),
Swiss Water Partnership

Tuesday 25, 16:00 – 17:30
Room FH 202

Making errors is an important element of development processes. The seminar focuses on how to support organisational learning and public sharing of learning on errors as a new development pathway, in the WASH sector in particular. We would like to invite you to join us for an inspiring World Café on how to turn errors into successes!

HOW TO IMPLEMENT THE “HIDDEN” SDG WATER RESILIENCE/DRR COMPONENT?

Caritas Switzerland, CSD Engineers, HELVETAS Swiss Intercooperation,
Swiss NGO DRR Platform, Swiss Topo, Swiss Water Partnership

Thursday 27, 9:00 – 10:30
Room NL Pillar Hall

In the proposed SDG framework, Disaster Risk Reduction (DRR) and resilience to water related disaster risks are scattered over several SDG goals such as in poverty, food security, water & sanitation, infrastructure, sustainable cities, climate change, and ecosystems. This status makes it challenging to effectively address disaster risks and to promote a risk aware development and to strengthen resilience of communities and nations.

A SUSTAINABLE APPROACH TO SCALE-UP SAFE WATER

Antenna Technologies, Aqua for All, Eawag, IRC, Millennium Water Alliance, Swiss Water Partnership

Thursday 27, 9:00 – 10:30
Room NL Music Hall

This event aims at sketching out a change agenda and will describe what is needed to go to scale. Scaling-up is not a linear process: replicating successful social enterprise ensuring access to safe water at a larger scale requires to applying a better coordinated and orchestrated approach, which involves not only project partners but mainstream institutions. Representant of NGO, government, private sector, regulation, finance will exchange on their respective role to ensure that 1) demand is enhanced, 2) supply is strengthened, 3) enabling environment is fostered.

INNOVATIVE INITIATIVES MAXIMISING FINANCE TO IMPLEMENT SUSTAINABLE DEVELOPMENT GOALS

First Climate Markets AG, Gold Standard, SIWI, Swiss Water Partnership, 2030 Water Resources Group, World Vision

Thursday 27, 11:00 – 12:30
Room FH 202

In light of the ambitious post-2015 development agenda, it is clear that business-as-usual approaches won't be enough to tackle global water challenges. A change in mindset is needed, and some have already explored new ways of stakeholder engagement and finance mobilization. This seminar showcases emerging partnerships and explores their added-value in implementing the SDGs.

OTHER THEMATIC EVENTS WITH SWP MEMBERS INVOLVED

Small Farms. Big Opportunity. Pioneering Corporations & Drip Irrigation

Sunday 11:00 – 12:30 (iDE)
FH Little Theatre

Unfolding the contribution of investigative journalism to water integrity

Monday 14:00 – 15:30 (HELVETAS Swiss Intercooperation)
FH Little Theatre

Livable Cities for All: Integrated Sanitation and Water Services

Tuesday 9:00 – 10:30 (Eawag)
FH Congress Hall A

LAC Focus: Understanding Human Right to Water and Sanitation

Tuesday 14:00 – 15:30 (Swiss Agency for Development and Cooperation)
FH Congress Hall B

Non-Traditional Partnerships to Finance WASH Development at Scale

Tuesday, 14:00 – 15:30 (iDE)
NL Pillar Hall / Pelarsalen

SFD – a tool to foster sustainable urban sanitation programming

Wednesday 11:00 – 12:30 (Eawag)
FH 202

Managing change: future water stress and flood risk assessment tools

Wednesday 16:00 – 17:30 (Nestlé)
FH 307

Building trust and sustainability through integrity: Focus on citizens and communities

Wednesday 16:00 – 17:30 (HELVETAS Swiss Intercooperation)
FH Little Theatre

Integrating WASH and watershed management to meet Sustainable Development Goals

Thursday, 16:00 – 17:30 (HELVETAS Swiss Intercooperation)
FH 202

BOOTH PROGRAMME: SWISS WATER EXPERTISE AT THE WORLD WATER WEEK

Join us for an interactive event at our booth or just a cup of coffee. SWP is a multi-stakeholder platform that brings Swiss organisations across sectors together to support developing and transition countries in finding innovative solutions for water challenges. Our booth will give an introduction and update on the Swiss water expertise.

SUNDAY 23

17:00 – 18:00

WaterLex

Aperitif

MONDAY 24

10:00 – 10:30

EPFL / CODEV

Low-Cost Wireless
Sensor Networks for Dry
Land Irrigation
Agriculture in Burkina
Faso

12:00 – 15:00

HELVETAS Swiss Intercooperation

Informal exchanges with
WASH and DRM advisors
around various approaches
including entry points to
better address disaster
risks in water programmes

18:00 – 19:00

Swiss reception

TUESDAY 25

09:00 – 12:00

Eawag

Spotlight on on-going
Eawag research

14:00 – 17:00

WaterLex

Launch of WaterLex-UN
publications:
“Regulating Wastewater”
and “A Human Rights-
based Approach to IWRM”

WEDNESDAY 26

12:00 – 15:00

Giweh

Water Monitoring Frame-
work for Post 2015

15:00 – 17:00

Cewas

Meet the cewas Start-Ups!

17:00 – 18:00

Swiss Start-Up Aperitif
with Wine & Cheese

THURSDAY 27

14:00 – 15:30

2030 WRG

Public-private-civil society
collaboration to catalyze
action on water resources
reform in water stressed
developing economies

Partner  Schweizerische Eidgenossenschaft
Confédération suisse
Confederazione Svizzera
