

Mediterranean Network
of Basin Organizations

Dear Colleagues,

We have the pleasure to invite you to the 4th Edition of the Conference “**Hydrodiplomacy and climate change for peace in Mesopotamia: Case of the Tigris and Euphrates**”

10th of December 2018 (9:00-18:00)

French Senate- Luxembourg Palace-Paris

The Conference will focus on the following main themes:

- **Session 1: retrospectives and lessons learned: the Orontes, the Jordan River and the Nile Basin**
- **Session 2: Hydro-political issues in Mesopotamia: case of the Tigris and Euphrates**
- **Session 3: technico-economic and environmental issues in the Tigris and Euphrates: Nexus (Water, Energy, Food) and climate change**
- **Session4: hydrodiplomacy and mediation on the large basins of the Middle East**

This conference aims to explore the interest of advocating the concepts of Hydrodiplomacy, Mediation and the Nexus on the Tigris and Euphrates Basins, to ensure abundant water of good quality to future generations in Mesopotamia and foster a culture of water for peace in this region.

Kindly confirm your participation by subscribing on the following link:
